Building the

While Strengthening
Our Parish

From State Deputy John Brault

Family of the Month – Does your council participate in the program?

Each month, the council Family of the Month committee selects one parish family that models Christian family values and visibly lives them every day. Once a year, each participating council also selects one of the previous twelve Family of the Month winners to represent the council/parish as the potential international Family of the Year. The Knights of Columbus Family of the Year is chosen by the Supreme Council and recognized each year at the annual Supreme Convention <http://www.kofc.org/en/programs/family/family-of-the-month.html#/>

Faith in Action - Fraternal Mission is pleased to announce the release of the redesigned Faith in Action Programs web page (www.kofc.org/en/programs/index.html). On this page, you will find up-to-date information about all Faith in Action programs, general announcements, and form updates. Please become familiar with the new Fraternal Programs Report Form for tracking and reporting activities. www.kofc.org/un/en/resources/programs/10784-fraternal-programs-report-form.pdf

Council Prospect Landing Page - Supreme will build a *custom* Prospect Landing Page for your council that you can use on a phone, a tablet or a computer. You can add potential members if they're interested in learning more about the Knights, and you can enter their information into the form in a matter of seconds. They'll immediately get a personalized email signed by you the grand knight, and encouraging them to join the Knights and reference your council by name and number. All you need to do is go to info.kofc.org/pagerequest. The form will also auto-generate an email to you, which will give you all of the information given for each person that signs up, and it will enroll them in an email marketing campaign that will help tell them more about the Knights and what we do over time (Don't worry, they can unsubscribe at any time).

Council Social Media Account - (From Scott Pott, Program Manager, Faith Initiatives, Knights of Columbus) - Is your council on social media? There's never been a better time to start. Use this guide to get started today—or share this guide with a tech-savvy member of your council.

Marian Prayer Program

PRAYER FOR PERSECUTED CHRISTIANS

O God of all the nations,
the One God who is and was and always will be,
in your providence you willed that your Church
be united to the suffering of your Son.
Look with mercy on your servants
who are persecuted for their faith in you.
Grant them perseverance and courage
to be worthy imitators of Christ.
Bring your wisdom upon leaders of nations
to work for peace among all peoples.
May your Spirit open conversion
for those who contradict your will,
that we may live in harmony.
Give us the grace to be united in truth and freedom,
and to always seek your will in our lives.

Through Christ our Lord. Amen.
Our Lady Help of Persecuted Christians, pray for us.

KNIGHTS OF  COLUMBUS

Prayer composed by Archbishop William E. Lori, Supreme Chaplain

10740 7/18

The 2018-2019 Marian Prayer Program presents the 18th Marian image sponsored by the Knights of Columbus, this time of Our Lady Help of Persecuted Christians. Each Knights of Columbus jurisdiction receives several Marian images, which serve as the centerpieces for prayer services conducted in churches and council meeting places throughout the Order for the duration of the initiative. Since its inception in 1979, the Knights of Columbus' Marian Prayer Program has held more than 166,900 local council and parish prayer services with some 20 million participants. This year, the prayer service is intended to raise awareness of the plight of Christians persecuted for their faith and to stand in prayerful solidarity with them.

Council 15199 will host the ICON October 5 – October 10, 2019.

Did You Know?

WHAT IS AN ICON ANYWAY?

AS THE KNIGHTS' 18TH PRAYER PROGRAM LAUNCHES, A NEW EASTERN-INSPIRED RELIGIOUS ICON WILL TRAVEL FROM PARISH-TO-PARISH ACROSS THE COUNTRY TO RAISE AWARENESS AND INSPIRE SUPPORT FOR PERSECUTED CHRISTIANS.

State deputies carry blessed images of Mary Help of Christians during the Mass launching the inauguration of the Order's 18th Marian Prayer Program. The images will travel from Knights through the country and the world, helping to raise global awareness of the sacrifice and current persecution of our brothers and sisters in Christ.

View Full Size Image

At the conclusion of a Mass Aug. 8 at the 136th Supreme Convention in Baltimore, the Knights of Columbus launched its 18th Marian Prayer Program, this year featuring an icon of "Our Lady Help of Persecuted Christians," created by Italian artist Fabrizio Diomedì.

Often called a "window to heaven," the religious icon is a piece of artwork used in prayer. In the early Church, when many could not read, icons were a visual way to share the truth about God.

Most icons depict Christ, a saint, or another significant figure or event in a distinct, very spiritual way. In the image of Our Lady Help of Christians, for example, we see stars on her forehead and shoulders — a symbol that indicates virginity.

In the same image we see various people gathered under Our Lady's mantle. These men, women and children died as martyrs, in different places and in different years. They are rightly pictured together, for iconography allows for a distortion of space and time. Events that happened years apart may appear as though they happened all at once, and objects are not all sized to scale. Thus, the iconographer draws attention to and connects these spiritually significant elements.

The traditional process of making an icon is also symbolic, according to Loyola Press. An icon is painted on wood, representing the Tree of Life and Tree of Knowledge. Coats of glue symbolize the soul and life of the icon's subject. Certain areas receive a thin layer of clay, representing man's physical nature. Then the iconographer blows the clay off and paints those same areas with gold, recalling the act of creation and breath of life. He adds layers of paints, with darker colors applied last, so that light seems to come from within the image. This represents the unseen God's glory breaking through from heaven. Since their inception, icons have been a part of Christian worship around the world. In venerating an icon, Christians glorify God, learn Christian history and ponder sacred theology.

Today, the Knights of Columbus's new Marian icon shares the example of Christians who so bravely and faithfully died for love of Christ. As it travels from jurisdiction to jurisdiction, it focuses the eyes of our Church on the sacrifice of so many of our brothers and sisters in Christ. May it serve to inspire us all to stand strong in our faith and continue our efforts to protect the free practice of religion throughout the world.

Our Lady, Help of Christians, pray for us!

The icon is part of Knights' ongoing mission of charity to Christians in the Middle East, to whom we have committed more than \$20 million since 2014. This money has provided food, shelter and clothing to Christians and those in the care. In recent years, the Knights of Columbus has been assisting in the construction of McGivney House to provide housing for both Syriac and Chaldean Christian families. Lord, make me an instrument of Your peace; Where there is hatred, let me sow love; Where there is injury, pardon; Where there is doubt, faith; Where there is despair, hope; Where there is darkness, light; And where there is sadness, joy.

O Divine Master, Grant that I may not so much seek To be consoled as to console; To be understood, as to understand; To be loved, as to love; For it is in giving that we receive, It is in pardoning that we are pardoned, And it is in dying that we are born to Eternal Life. Amen.

First Annual Saint Joseph's Table

Viva San Giuseppe

The Church of the Incarnation Knights of Columbus Council 15199 and Assembly 3309 invites members and families to our first annual Saint Joseph's Table.

This tradition comes from Italy where St. Joseph is highly venerated and brought to America by Sicilian-Italian families. This ritual meal is done to honor the saint, celebrate community, fellowship and charity and is held on or as close to his Feast Day of March 19th as possible. It is a very compelling and interesting celebration with meaning for all.

The Church of the Incarnation Knights of Columbus will celebrate Saint Joseph's Table on **March 16, 2019 at 5:30 pm**, in the Parish Hall. Our Feast will start after Father Leo blesses the Saint Joseph Table Altar.

Please come celebrate and enjoy traditional Italian Saint Joseph Table dishes and other Italian dish favorites. A Goodwill offering will be available to assist needy families in our community.

Please save the date and check your email for additional information.

The government's own definition attests to the fact that life begins at fertilization. According to the National Institutes of Health, "fertilization" is the process of union of two gametes (i.e., ovum and sperm) "whereby the somatic chromosome number is restored and the development of a new individual is initiated."

A quote from St. Padre Pio –

“The day that people lose their horror for abortion will be the most terrible day for humanity. Abortion is not only a homicide but also a suicide. Shouldn’t we have the courage to manifest our faith before those who commit two crimes within one act? The suicide of the human race will be understood by those who will see the earth populated by the elderly.”

NOW MORE THAN EVER

WILL YOU HELP US BUILD A CULTURE OF LIFE?

New Mexico House Democrats announced plans to repeal an existing abortion statute that would leave loopholes in NM state law allowing for the unregulated practice of elective abortion up-to-birth to continue. The bill does nothing to protect women, like Keisha Atkins who died at UNM Hospital during a dangerous late-term abortion at six months by Southwestern Women's Options in Albuquerque.

Your help is **URGENTLY** needed today.

Consider making a donation on so we can fight back against this dangerous bill proposed by a handful of abortion extremists. Your secure online donation will help us continue to staff our organization and reach a greater audience in New Mexico. How many of your friends and family know that NM is the late-term abortion capital of the nation? This is why we need your financial support, to continue to build a culture of life. Think about it, the abortion industry hires staff to work around the clock in order to take innocent lives. Consider [donating today](#) so we can hire staff to support our mission in saving and protecting lives.

Your faith and conscience are under attack.

What's even more alarming is the repeal would strike down conscience protections for health care providers and institutions from participating in an abortion. We warned our supporters of this attack against people of faith and conscience during the mid-term elections. This is why your help in defeating this extreme measure is needed today, more than ever. The abortion lobby has made significant gains in the NM Legislature by defeating numerous incumbents, especially in the Albuquerque area. Please consider investing in the work of NM Alliance for Life so we protect New Mexicans from this dangerous attack on people of faith and conscience-- as well as fight to preserve the sanctity of life.

Here are just a few examples of what your financial support has allowed us to do:

---**RESULTS:** Exposing and shutting down UNM's Ryan Residency training program at Southwestern Women's Options (SWO) late-term abortion business.

---**INVESTIGATIONS:** We were the first to expose the fetal tissue harvesting program at UNM after a six-month long investigation into partnerships between UNM and SWO.

---**PARTNERSHIPS:** NMAFL was the only organization to work directly with the Select Panel on Infant Lives to identify violations of state and federal law in UNM and Southwestern Women's Options fetal tissue harvesting program. Our tireless work with the Panel resulted in two Criminal Referrals.

---**LEGISLATION:** Through our investigative work and research, we have drafted groundbreaking legislation, including an infant born alive protection bill, after discovering UNM Hospital's policy of aborting infants who can survive outside the womb.

---**MORE RESULTS:** Our investigative work and media exposure led to UNM's leading fetal tissue researcher to be barred from ever conducting fetal tissue research again.

Your generous support has helped us to develop our investigative and research work to an unprecedented level within the pro-life movement. Our legislative and policy strategies, along with our groundbreaking investigative work continue to gain momentum in NM. But we need your help now more than ever to reach our budget goals to support a full-time staff. Here are a few ways we can work together to build a culture of life in New Mexico and beyond!

CareNet

Pregnancy Centers
of Albuquerque

Pregnancy is normal, but the circumstances may not have been a part of the current plan. Care Net is here to help with that change of plans. Everyone deserves to know their options for a positive future. **For a list of our free services click here.**

The Care Net Pregnancy Center of Albuquerque is a non-profit charity comprised of a group of local pregnancy resource centers in the Albuquerque metro area. We are affiliated with the national network of Care Net Pregnancy Centers. Our centers offer free and confidential services for women and girls in a safe and compassionate setting. From the initial pregnancy test and early limited medical care, throughout pregnancy and far beyond, Care Net offers a varied menu of free services for the whole family. Little or no waiting time is required. Appointments can be made for the same day or the next working day. There are no eligibility requirements and anyone is welcome. **Send an appointment request here.**

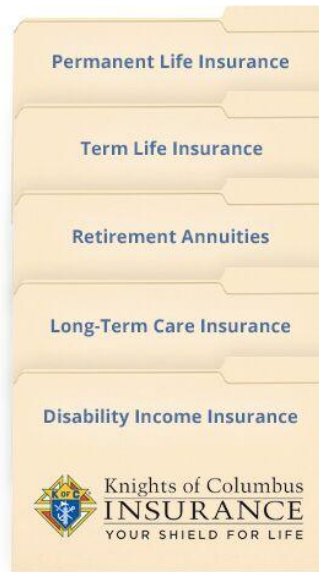

Pregnancy options consist of three choices: parenting, placing a child for adoption or elective termination (abortion). Each of these options have a subset of choices. Each choice has both short and lifelong consequences. It is important that everyone be fully aware of these consequences before making a decision. No one should be hurried, coerced, pressured or forced into a pregnancy decision. It is important to know that several studies have shown over 80% of women electing abortion have stated that they were coerced or pressured into that decision. This pressure usually came from someone who financially benefited from the termination of the pregnancy. Since Care Net does not want to profit from pregnancy decisions, we offer all of our pregnancy related services free of charge. Care Net Pregnancy Center of Albuquerque is an interdenominational faith based (Christian), non-profit, 501 (c) 3 organization, with a local board of directors, a paid supervisory staff, and hundreds of volunteers. We are locally funded by individual and community donations. Our centers do not use government funding. All of the professional and medical staff/volunteers are licensed in NM for the services which they provide. Everyone working or volunteering at Care Net signs a code of moral conduct and statement of faith. We have centers in Albuquerque, Rio Rancho, Los Lunas, Moriarty and a Medical Mobile Unit which travels the Albuquerque area

**Happy Birthday! May God continue to bless you with peace, love,
health and happiness!**

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make your request). Through Christ our Lord. Amen.

Knight's Prayer

Our Lady, Queen of the Knights, bless all the activities of our Order. Keep us true to our pledge, to extend the kingship of thy divine son on earth.

Through Thine intercession, win for us the grace, ever to exemplify in our public and private lives, the virtues that should characterize those especially dedicated to the service of the heavenly court. Make us always aware that as your Knights, we are constantly observed, our faith judged, and our Order appreciated.

Accept, O Mary, this renewed pledge of fealty and devotion, of Thy Servants, the Knights of Columbus.
