Knights of Columbus

Building the  
Domestic Church  
While Strengthening  
Our Parish

From Grand Knight Joseph Lepre and Lady Nicole

Brother Knights and Families,

As we enter the Advent Season, please take some time to remember what we are called to do in the four weeks leading up to Christmas. Advent, in Latin, *adventus*, means arrival or approach. We recall and celebrate the first coming, the birth, of Christ. We are also called to expect and prepare our hearts and minds for the second coming of Christ Jesus. This Advent, remember Christ's unwavering and unlimited love for us. Use this time to make amends with those you have wronged or those by whom you have been wronged. Forgive. Love. Live a life pleasing to God; always keeping in mind that Christ was born, Christ is risen and Christ will come again.

Remember that there is no Christmas without the birth of our Lord and Savior, Christ Jesus. Regardless of where you were born, all Catholics are raised to celebrate the *Feast of Christ's Mass*: Christmas. We say, "Merry Christmas," from the Middle English, *Cristemasse*. We remember the Holy Birth, the Nativity, of our Lord, Christ Jesus. From the Latin, *Natalis Domini*, the Birth of Our Lord. We say, "Feliz Navidad," in Spanish and "Buon Natale," in Italian. We say, "Joyeux Noël," in French and, "Frohe Weihnachten," in German. No matter how you say it, never forget what it really means and why we celebrate. Teach your children and grandchildren the true meaning of Christmas. Be proud to say, "Merry Christmas," even when others want you to say, "Happy Holidays," or, "Seasons Greetings." He is the reason for the season. Let us always keep Christ in Christmas!

Lady Nicole, Gennaro, Sofia, and I wish you a Blessed Merry Christmas. May the Peace of Christ be with you all, now and forever. God Bless your families, loved ones, friends, and you!

Vivat Jesus!

### From Supreme Chaplain Archbishop William Lori

In a recent address, K of C Supreme Chaplain Archbishop William Lori said, We rightly say of ourselves as Knights that we are the strong right arm of the Church. Never has the support of the Knights of Columbus been more important than it is today.

Now, more than ever, the Knights of Columbus are here to help defeat evil and scandal by following the path of discipline, justice and healing. Only on this path can we all — layman and priest alike — become men of holiness, integrity and humility.

Take a look at the [December issue of the Chaplain's Report](#) to learn how the Knights can help you and your parish discover this path.!

## From State Deputy John Brault

Brothers,

I've just come back from the Mid-Year Meeting of State Deputies in Houston, Texas. We discussed a lot of great ideas and best practices that have the potential to make a big impact here in our jurisdiction.

One that I'm really excited about is a new prospecting system that we can use for all kinds of things: church drives, men's conferences, pancake breakfasts, spaghetti dinners, fish fries – really any event where we have potential members.

We'll talk more about it at the mid-year organizational meeting, but it's a really simple process. **Supreme will build a *custom* Prospect Landing Page for your council that you can use on a phone, a tablet or a computer.** You can ask potential members if they're interested in learning more about the Knights, and you can enter their information into the form in a matter of seconds. They'll immediately get a personalized email signed by you the grand knight, and encouraging them to join the Knights and reference your council by name and number.

The form will also auto-generate an email to you, which will give you all of the information given for each person that signs up, and it will enroll them in an email marketing campaign that will help tell them more about the Knights and what we do over time (Don't worry, they can unsubscribe at any time).

It's a great system! ***This can be a real game changer in the way we prospect. I would encourage every council to get out in front of this and request your own page immediately.*** The attached document explains it in more detail. All you need to do is go to [info.kofc.org/pagerequest](http://info.kofc.org/pagerequest).

If you have any questions, be sure to reach out to Christopher Arias. He's our Online Membership Coordinator, and he'll be happy to explain this to you in more depth. He can be reached at [christopherwarias@gmail.com](mailto:christopherwarias@gmail.com).

## Did You Know?

### KEEP CHRIST IN CHRISTMAS

#### A Higher Purpose

Promote the true spirit of Christmas in our homes, schools, parishes and communities. Knights of Columbus councils evangelize society through their faithful acts, celebrations and a variety of activities.

#### Overview

The Knights of Columbus offers multiple activities that promote Christmas and the season of Advent in their proper context: Journey to the Inn, Light Up for Christ, Crèche or Advent Wreath Blessing, and the Christmas Poster Contest. These programs are centered on the example of the Holy Family and the Nativity of our Lord and Savior, Jesus Christ.

The new Keep Christ in Christmas program brings all related activities together under one umbrella. It encourages councils to compel their neighbors to shift from a preoccupation with materialism to the light of Christ and the spirit of giving. Activities include whatever efforts best suit the parish and community of a particular council and do not need to originate from the Knights of Columbus Supreme Council

Action Steps - Conduct activities promoting the true spirit of Christmas and the importance of Christ's birth and message.

If needed, order the *Keep Christ in Christmas (KCIC)* program resources through Supplies Online, the supply ordering portal available on Officers Online.

Prior to each event you conduct, consider crafting and distributing a tailored release to local media. Build public interest for your KCIC program! Promote all activities in your parish and larger community through a variety of efforts:

- Prominently display promotional posters (which can be made specifically by your council or ordered through Supplies Online)
- Bulletin announcements
- Pulpit announcements
- Posting on your council and parish website / social media pages

Wear Knights of Columbus-branded apparel to all your KCIC activities and have the council membership director bring brochures and membership documents (including *Prospect Cards #921A*). Do not forget that this event is a recruiting opportunity!

Enlist a fellow Knight or community member to photograph the event.

To gain credit for your program, complete the associated reporting forms at the end of the Christmas season and submit them to the Supreme Council Department of Fraternal Mission.

Remember to retain copies for your council records.

- Immediately after your event is finished, complete the *Family Report Form (forthcoming)*
- At the end of the fraternal year, complete your *Columbian Award Application (#SP-7)*

The government's own definition attests to the fact that life begins at fertilization. According to the National Institutes of Health, "fertilization" is the process of union of two gametes (i.e., ovum and sperm) "whereby the somatic chromosome number is restored and the development of a new individual is initiated."

## Culture of Life

### From Brother Curt Kuper, Project Defending Life

#### OUR MISSION

Project Defending Life aims to help women address the challenges of pregnancies that cause them to be abortion-vulnerable, to provide a chapel for prayer and contemplation for the pro-life community, and to provide support for peaceful, prayerful witness for life and activities such as Sidewalk Advocates, 40 Days for Life, etc.

Project Defending Life is a Catholic-based ministry that answers the challenge of Pope John Paul II's encyclical, the Gospel of Life. We are committed to defending the sacredness of human life from conception to natural death, focused specifically on ending abortion. Our first priority is to give aid and comfort to abortion-vulnerable women in unplanned and crisis pregnancies, so that they ultimately choose life and carry their babies to term. We serve the greater Albuquerque and Santa Fe areas of Northern New Mexico, within the Archdiocese of Santa Fe, and collaborate with other pro-life efforts in the state of New Mexico and throughout the United States.

#### OUR HISTORY

Since the landmark Supreme Court decision in 1973, pro-life advocates have worked and prayed to end the tragedy that is abortion. Albuquerque is known as "the abortion capitol of the Southwest," for its unrestricted access to abortion services up to the day of birth.

In the 1980s, Brother Mathias Barrett (founder of the Good Shepherd Center and the Barrett Home for unwed mothers) started a ministry to pray in front of abortion clinics. This ministry became known as "Project Life," and was devoted to offering pregnant women help and alternatives to abortion.

In 2006, Fr. Stephen Imbarrato revived the ministry and worked with a board of directors to rename and establish the ministry as Project Defending Life, a tax-exempt, not-for-profit organization dedicated to educating the public about abortion and how it hurts women, as well as providing services to abortion-vulnerable women.

Now located just 350 feet from Albuquerque's Planned Parenthood facility and under new leadership, Project Defending Life has become a pro-life center that houses Women's Pregnancy Options (a pregnancy resource center), the local chapter of Sidewalk Advocates for Life, and the Holy Innocents Chapel.

#### OUR SOLUTION

Generally a woman will choose to have an abortion to solve an underlying problem. Through our program, Women's Pregnancy Options, our goal is to help them solve that problem and choose life for their unborn baby. We do this by identifying their immediate needs, establishing goals to help redirect their focus and overcome mental, emotional, physical, and spiritual barriers, and advocating for self-confidence and Independence

Project Defending Life is a non-profit organization that is almost completely donor based. Your donations help keep the lights on but, more importantly, they help save lives. Please consider making a tax-deductible donation to help our mission.

We understand that not everyone is able to make financial donations. We often need material donations for our Women's Pregnancy Options clients. Please call our office at (505) 266-4100 or email to arrange your donations.

A quote from St. Padre Pio –

“The day that people lose their horror for abortion will be the most terrible day for humanity. Abortion is not only a homicide but also a suicide. Shouldn’t we have the courage to manifest our faith before those who commit two crimes within one act? The suicide of the human race will be understood by those who will see the earth populated by the elderly.”

## NOW MORE THAN EVER

WILL YOU HELP US BUILD A CULTURE OF LIFE?

Last week, a handful of New Mexico House Democrats announced plans to repeal an existing abortion statute that would leave loopholes in NM state law allowing for the unregulated practice of elective abortion up-to-birth to continue. The bill does nothing to protect women, like Keisha Atkins who died at UNM Hospital during a dangerous late-term abortion at six months by Southwestern Women's Options in Albuquerque.

### Your help is URGENTLY needed today.

Consider making a donation on so we can fight back against this dangerous bill proposed by a handful of abortion extremists. Your secure online donation will help us continue to staff our organization and reach a greater audience in New Mexico. How many of your friends and family know that NM is the late-term abortion capital of the nation? This is why we need your financial support, to continue to build a culture of life. Think about it, the abortion industry hires staff to work around the clock in order to take innocent lives. Consider [donating today](#) so we can hire staff to support our mission in saving and protecting lives.

### Your faith and conscience are under attack.

*What's even more alarming, is the repeal would strike down conscience protections for health care providers and institutions from participating in an abortion. We warned our supporters of this attack against people of faith and conscience during the mid-term elections.* This is why your help in defeating this extreme measure is needed today, more than ever. The abortion lobby has made significant gains in the NM Legislature by defeating numerous incumbents, especially in the Albuquerque area. Please consider investing in the work of NM Alliance for Life so we protect New Mexicans from this dangerous attack on people of faith and conscience-- as well as fight to preserve the sanctity of life.

### Here are just a few examples of what your financial support has allowed us to do:

---**RESULTS:** Exposing and shutting down UNM's Ryan Residency training program at Southwestern Women's Options (SWO) late-term abortion business.

---**INVESTIGATIONS:** We were the first to expose the fetal tissue harvesting program at UNM after a six-month long investigation into partnerships between UNM and SWO.

---**PARTNERSHIPS:** NMAFL was the only organization to work directly with the Select Panel on Infant Lives to identify violations of state and federal law in UNM and Southwestern Women's Options fetal tissue harvesting program. Our tireless work with the Panel resulted in two Criminal Referrals.

---**LEGISLATION:** Through our investigative work and research, we have drafted groundbreaking legislation, including an infant born alive protection bill, after discovering UNM Hospital's policy of aborting infants who can survive outside the womb.

---**MORE RESULTS:** Our investigative work and media exposure led to UNM's leading fetal tissue researcher to be barred from ever conducting fetal tissue research again.

**Your generous support has helped us to develop our investigative and research work to an unprecedented level within the pro-life movement. Our legislative and policy strategies, along with our groundbreaking investigative work continue to gain momentum in NM. But we need your help now more than ever to reach our budget goals to support a full-time staff. Here are a few ways we can work together to build a culture of life in New Mexico and beyond!**

### Knights' Prayer

Our Lady, Queen of the Knights, bless all the activities of our Order. Keep us true to our pledge, to extend the kingship of thy divine son on earth.

Through Thine intercession, win for us the grace, ever to exemplify in our public and private lives, the virtues that should characterize those especially dedicated to the service of the heavenly court. Make us always aware that as your Knights, we are constantly observed, our faith judged, and our Order appreciated.

Accept, O Mary, this renewed pledge of fealty and devotion, of Thy Servants, the Knights of Columbus.
